

NURSE TRAILERS

Bestway Ag offers a complete line of nurse trailers to fit your needs. Some of our common sizes are: 1000, 1010, 1320, 1610, 1635 and 2010 gallons.

All Bestway Ag nurse trailers come with a UV stabilized plastic tank, heavy duty powder coated steel channel frame, poly or cast-iron pump and 2" or 3" plumbing. Tanks are offered in white, black or blue.

We also offer customization services, featuring different pumps, shuttle platforms, lights, fenders and plumbing. **All nurse trailer plumbing options are also available in skid configuration for tank sizes from 1010 to 3250 gallons.** Call today to configure your new trailer!
